WHO WE ARE?

We are a young studio with fresh ideas, committed to offer our customers creative and high-quality services; and to achieve this, we work with responsibility, professionalism, and strict confidentiality.

We work in a customized way, understanding that first and foremost is to put into context the project as a whole. This is only achieved with a constant and open communication with our customers.

Our final objective is to provide a unique solution to our customers, which can stand out among competitors, becoming as a referent in the very competitive and dynamic real estate market.

FOUNDERS

Studio96 is a family-owned business, which has been established thru the years. As owners of it, we focus on providing an outstanding and customized service to our clients, making them feel comfortable that their needs will be met.

The experience acquired thru the years support us, allowing us to work with startup businesses and with regional food franchises, among others. Additionally, by working closely to our customers, we have been able to deeply understand their needs and meet their high expectations.

OUR CUSTOMERS

We are a young and high potential creative company in the industry. Thanks to this, we have had the opportunity to work with diverse high prestige brands and companies with local and international presence.

MISSION

To continue growing to reach more customers and develop more projects to improve our environment and society.

INTERIOR
RENTERS

A photograph of a luxurious indoor pool area. The pool is in the foreground, with water reflecting the ambient light. In the background, there is a lounge area with two round sofas and a coffee table. The room is illuminated with warm, golden light, and features classical columns and a chandelier. The walls are covered in vertical slats, and there are small lights along the base of the walls.
